

Learn to Skate

Fall 2017

At Floyd Hall Arena, we have a class for EVERY skater! Our highly qualified and certified instructors, small class sizes, and fun-filled curriculum will help every skater progress at his/her own pace.

Children and adults begin in a Tot 1, Pre Alpha, or Adult class and gradually progress through our secondary and advanced levels to further their skating development. All of our Learn to Skate classes include a 30 minute lesson, as well as a pass that allows the participant to skate on ANY of our public sessions for free!
