

# RISING SKATER

**RISING SKATER MISSION STATEMENT**

The Floyd Hall Arena Learn to Skate program offers a variety of classes and levels to suit every skaters needs. Our highly qualified and certified instructors and small class sizes will help every skater progress at his/her own pace.

The Rising Skater program is of the secondary level in class progression. When skaters have completed the elements of Tot 1-3, they are accepted as candidates for this program. Skaters progress from forward and backward crossovers to beginner jumps and spins. Upon completion of the two levels within this program, skaters move to the Gold Star Freestyle program, Future Champions class, and pursue private lessons.

**This two part program now includes one 30 minute group lesson and one 30 minute semi-private lesson, offering one full hour of on ice instruction!**
